EZYmount

The **Ezymount** range consists of TV mounts, projector ceiling mounts as well as home appliance solutions. Our TV mounting range includes a wide variety of solutions that include: tilting, fixed and fully adjustable options. Ezymount projector products are designed to mount projectors to the ceiling and offer ultimate flexibility, including a wide scope of installation adaptations such as rotation, tilting and mounting range.

Most recently, we launched Ezymount Home which includes solutions for home appliance products such as vacuum accessories and remote-control holders. EZYmount is designed to fit popular flat panel screens and is suitable for use in schools, universities, hospitals, medical centres, offices and residential homes.

A unique EZYmount feature is the ease of installation using the supplied hardware, without the need for special tools. EZYmount Red is a superior range of mounting products featuring premium design and quality components all covered by a 10-year warranty. EZYmount Blue mounting products feature high-quality design and sturdy components which are covered by a 5-year warranty.

When it comes to using your AV equipment, we increasingly need solutions beyond just mounting TVs on walls, so we now offer table-top TV mounts, beautifully designed floor stands, soundbar mounts and some handy accessories.

Upgrade your Audio and Video viewing experience with quality **EZYmount** Residential Mounting Solutions.
